1. Whistleblowing

Whistleblowing is when someone raises a concern about a dangerous or illegal activity or any wrongdoing within the Cambridgeshire Lawn Tennis Association (the "Association").

1.1. How to Raise a Concern.

Any concerns about a child or allegations about an adult who works with children should be raised with the Association Welfare Officer. If the allegation is about the Association Welfare Officer, the Chairman or senior member of the committee should be informed.

1.2. How the association will respond.

- a) If the concern is that a member of staff or volunteer has or may have;

 - Possibly committed a criminal offence against or related to a child.
 - Behaved towards a child or children in a way that indicates that he / she would pose a risk of harm to children

The Welfare Officer (or other as above) will contact the LTA Safeguarding Team and Local Authority Designated Officer to discuss how the allegation should be investigated.

- b) If the concern does not match any of these criteria or, after consideration with the LADO or other appropriate agencies, it is agreed that the matter should be dealt with by internal processes the Association will consult the LTA to determine the most appropriate action.
- c) If the concern is that the Association has not followed appropriate safeguarding procedures or has not pressed other agencies where concerns about a child persists, the Welfare Officer should be approached to seek assurances that appropriate action will be taken.

If in either case the member still has concerns that a child or children are at risk or that appropriate procedures have not been followed the member should contact the LTA Safeguarding Team and LADO or, in situations where children are thought to be in immediate danger or risk of harm, the police by contacting 999.
